

# Save time, track your bus online

## Locate your bus with a new online tracker and save time.

The Real Time Passenger Information System provides access to current bus times and routes in real time so you know exactly where your bus is before you leave home or while on the go.

This system is being trialled in Cairns from November 2011 to May 2012. To try the online bus tracker, visit [www.qconnect.qld.gov.au](http://www.qconnect.qld.gov.au) and follow the links to 'Track your Cairns bus online'.

Check out the new electronic bus stop displays at:

- Cairns Central Shopping Centre
- DFO Westcourt
- James Cook University
- Lake Street Transit Mall
- Smithfield Shopping Centre
- Stockland Earville.

## Tell us what you think

Visit [www.qconnect.qld.gov.au](http://www.qconnect.qld.gov.au) and provide feedback about the Real Time Passenger Information System. Your feedback will help improve bus routes and services across the qconnect network in Cairns and throughout regional Queensland.
